

Dear Altavista Area Business,

Altavista Rivercats is an Altavista based independent youth baseball program with two teams and players aged 8-10 years old. It was started to be a supplement to the YMCA programs which are played in Spring to give talented area kids a chance to play baseball from June to October. To help defray the costs of tournament fees, uniforms, and equipment we are seeking help from local businesses to be sponsors.

For a \$100 sponsorship our website will have a link to your business website with a description of your company and its services. Parents and grandparents will use this website regularly for news and team information. We will also regularly promote your business through social media and periodically through newspaper ads. A \$300 sponsorship will get your business the same as a \$100 sponsor and your business name on the back of the game uniforms. We will have a total of four \$300 sponsors (two uniforms for each team) so that your business name will be on the shirts for at least 2 games each tournament.

All checks can be made out to Mike McCorkle. Thanks for your consideration.

Mike McCorkle  
Manager  
Altavista Rivercats Baseball Team
